The enclosures include the agenda dates and Item Nos. when the Board approved the projects, adopted the plans and specifications, called for bids to be received, and instructed the Executive Officer of the Board of Supervisors to advertise the projects.

The project descriptions, call for bids and bid opening dates, tabulation of bids, and financial information are included in the enclosures for each respective project. The certified record of receipt of bids and the original bid proposals for each project are also enclosed.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness/ Fiscal Sustainability (Goal 1) and Integrated Services Delivery (Goal 3). Awarding these construction contracts will provide improved infrastructure to better serve the public and enhance the quality of life in the affected Cities and community.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The enclosure for each project includes the amount of the recommended contract as compared with the engineer's estimate, the other bids received, and more detailed fiscal and financial information.

Sufficient funds for Project ID Nos. FCC0001192 and FCC0001236 are included in the Flood Control District Fund Fiscal Year 2015-16 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract agreements will be in the form previously reviewed and approved as to form by County Counsel. The recommended contracts were solicited on an open-competitive basis and are in accordance with applicable Federal, State, and County requirements. The contractors are in compliance with the Chief Executive Officer's and the Board's requirements.

The award of these contracts will be in full compliance with Federal, State, and County regulations. These contracts contain terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County of Los Angeles' Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the County's Defaulted Property Tax Reduction Program, Los Angeles County Code, Chapter 2.206; Local Business Enterprise Preference Program, Los Angeles County Code, Chapter 2.204; and the standard Board directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the District to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the District to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the District to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure these contracts are awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by each respective contractor was considered before making this recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for these projects and are on file with the Department of Public Works.

ENVIRONMENTAL DOCUMENTATION

Each of these projects were found to be categorically exempt from the provisions of the California Environmental Quality Act at the time the Board called for bids.

CONTRACTING PROCESS

The contracts were solicited on an open-competitive basis in accordance with the provisions of the State Public Contract Code.

To further increase contractor awareness of contracting opportunities with Public Works, these projects were listed on both the County's "Doing Business with Us" and Public Works' "Contract Opportunities" websites for upcoming bids. Public Works also coordinated with the Office of Small Business to maximize outreach.

Public Works will review and approve the Faithful Performance and payment bonds filed by the contractors.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

These construction contracts will result in improved infrastructure in the Cities and community where the work is performed.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division.

Respectfully submitted,

GAIL FARBER

Director

AWARD OF CONSTRUCTION CONTRACT
June 21, 2016

PROJECT ID NO. FCC0001192 – Walnut Creek Spreading Basin Pump Station Project
(in the City of Covina), Supervisorial District 5.

TYPE OF WORK: Excavation, transportation, and disposal of sediment to Manning Pit;
construction of a pump station; installation of flow-measurement
instrumentation; and the performance of other appurtenant work.

CALL FOR BIDS DATE: March 29, 2016 (Agenda Item 39)

BID OPENING DATE: May 3, 2016

BID SUMMARY:

Low	Environmental Construction, Inc. 21550 Oxnard Street, Suite 1050 Woodland Hills, California 91367 (818) 449-8920	\$1,396,266.00
2	Minco Construction	\$1,755,400.00
3	Mike Bubalo Construction Co., Inc.	\$2,288,600.00

Kaveh Engineering & Construction, Inc., submitted a bid of \$944,790; however, it did not use the correct Schedule of Prices. Therefore, its bid was considered nonresponsive and rejected as provided in the Instructions to Bidders.

FINANCIAL INFORMATION:

Amount of estimate	\$1,154,000.00
Amount of recommended contract	\$1,396,266.00
Amount of recommended contract above the estimate	\$ 242,266.00

The amount of the recommended contract is 21 percent above the estimate, which was based on recent average contract prices for similar items of work. A review of the estimate indicates prices of several material items were below current market prices. Re-advertising the project will result in increased contract administration costs and delay construction with no guarantee that lower bids will be received. Therefore, we recommend award of the contract to the low bidder.

The project was awarded Proposition 84 grant funds. The Flood Fund will provide the required \$870,985 minimum funding match for construction. Additional construction costs above that amount will be reimbursed with Proposition 84 grant funds.

Financing for this project is included in the Flood Control District Fund Fiscal Year 2015-16 Budget.

SCHEDULE:

The contract specifications require the work to be completed in 80 working days. It is anticipated the work will start in September 2016 and be completed in January 2017.

CALL FOR BIDS DATE: March 29, 2016 (Agenda Item 40)

BID OPENING DATE: May 3, 2016

BID SUMMARY:

Low	Kaveh Engineering & Construction, Inc. 22600 Savi Ranch Parkway, Suite A17 Yorba Linda, California 92887 (714) 793-6655	\$435,800.00
2	Mike Bubalo Construction Co., Inc.	\$483,985.00
3	GMZ Engineering Inc.*	\$487,950.00
4	Access Pacific, Inc.*	\$489,195.00
5	Rio Jordan Construction, Inc.*	\$549,995.00
6	KEC Engineering	\$563,120.00

*Local Small Business Enterprise (LSBE)

LNA Concrete Structures, Inc., was the apparent low bidder with a bid in the amount of \$415,800.00; however, it requested that its bid be withdrawn due to a clerical error resulting in a underbid. Our review conformed that a bonafide clerical error was made, and LNA Concrete Structures, Inc., should be relieved of its bid proposal as provided in the Instructions to Bidders. Therefore, we recommend award of the contract to the new lowest responsible bidder.

FINANCIAL INFORMATION:

Amount of estimate	\$445,870.00
Amount of recommended contract	\$435,800.00
Amount of recommended contract below estimate	\$ 10,070.00

The amount of recommended contract is 2.3 percent below the estimate.

Financing for the construction contract cost of the project is included in the Fiscal Year 2015-16 Flood Control District Fund Budget.

There will be no impact to the County General Fund.

SCHEDULE:

The contract specifications require the work to be completed in 60 working days. It is anticipated the work will start in September 2016 and be completed in November 2016.

**COUNTY OF LOS ANGELES
CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

This Contract is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All Bidders must complete this form to either certify compliance or request an exception from the Program requirements. Upon review of the submitted form, the Agency will determine, in its sole discretion, whether the Bidder is excepted from the Program.

Application for Exception

Company Name: Kaveh Engineering & Construction, Inc		
Company Address: 22600 Savi Ranch Pkwy. Suite A17		
City: Yorba Linda	State: CA	Zip Code: 92887
Telephone Number: 714-793-6655		
Project ID No.: FCC0001236		

I request an exception from the Program for the following reason(s) (check the appropriate box(es) and attach documentation that supports your claim):

- My business does not meet the definition of "contractor," as defined in the "Program," because my business has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000 in any 12 month period). Also, if my business is awarded the contract or purchase order and secures additional County business that in the aggregate exceeds \$50,000 in any 12-month period, then I understand that the exception will be lost and my business shall at that time implement a written policy consistent with the Program.

- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than \$500,000; and 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. If during the contract period my business exceeds ten employees or \$500,000 annual gross revenues. I understand that the exception will be lost and my business shall at that time implement a written policy consistent with the Program.

PROJECT ID NO. FCC0001236

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the Contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

Certification of Compliance

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the Contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.
